## CORRECTION/AMENDMENT AFFIDAVIT FOR CANDIDATE/OFFICEHOLDER

All Reports: A filer who files a corrected report must submit a correction affidavit. The affidavit must identify the information that has changed.

Reports filed with Texas Ethics Commission: A corrected report (other than a report due 8 days before an election) filed with the Ethics Commission after its due date is not considered late for purposes of late-filing penalties if: (1) any error or omission in the report as originally filed was made in good faith, and (2) the person filing the report files a corrected report and a good-faith affidavit not later than the 14th business day after the date the person learns that the report as originally filed is inaccurate or incomplete.

Semiannual Reports: A semiannual report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. A semiannual report that is amended/corrected on or after the eighth day after the original report was filed is considered to have been filed on the date the original report was filed if: (1) the amendment/correction is made before any complaint is filed with regard to the subject of the amendment/correction; and (2) the original report was made in good faith and without intent to mislead or misrepresent the information contained in the report.

Attach additional pages as necessary.

### INSTRUCTIONS FOR COMPLETING THIS FORM

The following numbers correspond to the numbered boxes on the other side.

1. Filer ID. If you file with the Ethics Commission, you should have received a letter acknowledging receipt of your campaign treasurer appointment and assigning you a Filer ID. Put that number in this box. If you do not file with the Ethics Commission, skip this box.
2. Total Pages Filed. After completing this form and any attachments, count the number of pages. Enter that number in this box. Each side of a two-sided form counts as a page. In other words, this form is two pages.
3. Candidate/Officeholder Name. Put your full name here. Enter your name in the same way as on the report you are correcting.
4. Original Report Type. Mark the type of report you are correcting.
5. Original Period Covered. Enter the period covered by the report you are correcting. The year is important because filers sometimes correct reports years after filing the original.
6. Explanation of Correction. Attach any part of the campaign finance report form needed to report and explain corrections. Explain why there was an error on the original report. Also explain what information is being corrected and how the new information is different from the information on the original report. (Use additional pages if you need more space.) You may also use this area to request a waiver or reduction of a late-filing penalty and state the basis of your request.
7. Signature. If you are using the paper form, fill this section out by hand after you finish the rest of this report. You have the option to either: (1) take the completed form to a notary public where you will sign above the first line that says "Signature of Candidate/Officeholder" (an electronic signature is not acceptable) and your signature will be notarized, or (2) sign above both lines that say "Signature of Candidate/Officeholder (Declarant)" (an electronic signature is not acceptable), and fill out the unsworn declaration section.
